September AGM and Visit

Wellington City Archives

PO Box 2199, 28 Barker Street, Wellington, New Zealand.

Sunday, September 24, 2.00 pm at Wellington City Archives, 28 Barker Street

Come to our AGM and bring along anyone you know who might be interested in the Society!

The business part of the meeting will be as brief as possible.

Then, join a tour of the Archives. Hear about its wealth of resources and its treasures, and how to use them, and have a close look at some material relating to Mt Victoria.

November meeting

In late November – when we're back to summer time - we're planning an evening gathering, including a visit to Mouldings & Finishings Ltd, our local specialist supplier of renovation and restoration products. There'll be more details on this meeting in the next newsletter.

Notes from our June Meeting

In June, we were fortunate to have Stathy Booteris speak to us about the Greek Community in Mt Victoria. It was a fascinating talk.

We are very grateful to Stathy for allowing us to record his talk so, for the benefit of those who weren't able to be there, an edited extract from the first part is produced on the other side of this newsletter.
