## Earthquake Wellington!

**Sunday, May 18 at 2.00 pm, Crossways**

Come and hear Alan Olliver on the geology and history of earthquakes in Wellington. As a 'geographer', Alan will share with us his knowledge of the Wellington seismic scene in general and, in particular, his recent research into its impact on Mt Victoria.

*Alan's talk will be followed by afternoon tea. Feel free to bring a friend!*

Steps of McIntyres Avenue, off Hawker Street, lead up to the top row of the Gods.
