

Our constitution itself is fairly standard. The aims are as discussed at the first meeting. The financial year chosen is 1 July to 30 June with the AGM set for around September. The committee will consist of up to 8 people with the usual convenor, secretary and treasurer. The power to set membership fees is initially vested in the Committee and afterwards amended as necessary by the AGM. The Steering Committee has set the fees at the following for the 1996/7 financial year -

Individual/Family	- \$20-00
Student/unwaged	- \$10-00
Newsletter only	- \$10-00

We hope you think these amounts are reasonable. They are certainly in line with other organisations that people belong to. Membership fees are due soon so you can get out your cheque books out at the June or August meetings. We will have a form to fill out when joining, just to give us some basic information about you.

The Committee has decided to give up having a Post Office box number. The expense did not warrant the use it got. In future we will use the Convener's address - 37 Ellice St, Mt Victoria.

See you all at the forthcoming meetings.
